

THESIS PROPOSAL GUIDELINES

A thesis proposal should be written and defended prior to beginning work on a research project. The outline below lists the items that should be included in the Thesis Proposal. After the proposal has been completed and signed by the student, all research advisors, and the Program Director, the student will begin the research project. Upon satisfactory completion of the project, the student will receive academic credit for the thesis as specified in the proposal.

IT IS THE RESPONSIBILITY OF THE STUDENT TO OBTAIN ALL NECESSARY SIGNATURES FOR PROJECT APPROVAL BEFORE BEGINNING WORK ON THE PROJECT.
